NATIONAL PUBLIC TELEVISION AGREEMENT
December 11, 2002 – December 10, 2005

American Federation of Musicians
of the United States and Canada
1501 Broadway, Suite 600
New York, NY 10036

1. In consideration of the mutual covenants herein contained and of other good and valuable considerations, the American Federation of Musicians of the United States and Canada (herein called the "Federation") agrees with the undersigned Employer upon the terms, conditions, provisions and covenants in the paragraphs below and in the annexed Exhibits A, B and C. This agreement relates only to the employment of persons in the classifications covered by this agreement in connection with the production and broadcast of national live, videotape and film programs by public television producers and broadcasters and the audiovisual transmission and exhibition thereof in schools and similar places. It is understood that such programs may be broadcast on Commercial Stations and on cable systems in those areas where no public television reception is available except that in such instances the exhibition must be on a sustaining, non-commercial basis. The performance of services by teachers and students as amateurs and by other persons in similar nonprofessional capacities are excluded from this agreement.*

2. (a) The Federation shall exercise full authority in order that its locals and members shall do nothing in derogation of the terms and intent of this agreement.

(b) The Employer shall employ only persons in the classifications covered by this agreement for the rendition of musical services for all national programs using live music which are made in the United States and Canada.

(c) The Employer represents that there does not exist against it any claim of any kind arising out of musical services, and that if any valid claim is found to exist, the Employer shall satisfy the same.

3. (a) The Employer shall not require, request, induce, or in any manner attempt to influence any person in a classification covered by this agreement to play, perform or render services in a manner contrary to this agreement.

(b) No conduct or failure to act (with or without knowledge) by the Federation, other than a statement in writing, signed by a duly authorized officer thereof shall constitute a waiver by it of any provision of this agreement.

* With respect to the production of episodic, dramatic (e.g., comedies and cartoons) and documentary series or programs, the producer may elect, no later than thirty (30) days prior to the first music scoring session for any program or, with respect to a series of programs (as defined below), no later than thirty (30) days prior to the first scoring session for the first episode of a season, to produce the program under the terms and conditions of the then current AFM Basic Television Film Agreement instead of under this Public Television Agreement. For purposes of this section, the term series refers to an episodic series such as "American Family" as well as to a serial or any closed-end series such as "Roots." The term "series" shall not include a group of separate programs under the same program title such as "NOVA" and separate elections may be made with respect to each separate program in such group. With respect to a series, the Producer shall have the right to make a new election with respect to coverage under this Agreement or the Basic Television Film Agreement at the beginning of each new season. The election shall be made by giving written notice to the Federation and the affected AFM Local Union at least thirty (30) days prior to such first scoring session. The election to produce under the Basic Film Television Agreement shall not apply to variety programs or programs which consist primarily of musical numbers, but shall be applicable to the "making of" type programs which include footage taken of a separate production that is produced under an AFM Agreement even if such making of program consists primarily of music.

4. (a) For services rendered under this agreement, the Employer shall pay at least the minimum rates of pay and shall fully and faithfully perform and observe all other terms and conditions set forth in Exhibits A, B and C, and in its individual agreements with the persons performing such services.

(b) The provisions contained in this agreement shall be deemed to be part of all individual agreements between the Employer and such persons, whether or not written into such individual agreements.

(c) The Employer shall enter into individual contracts with persons in classifications covered by this agreement and such contracts shall be on the blank forms not in conflict with this agreement authorized from time to time by the Federation.

(d) Production for any program funded wholly or in part by The National Endowment for the Arts will adhere to the guidelines of the NEA concerning scoring in the United States.

5. (a) Following the execution of this agreement, the Employer shall furnish to the Federation, upon its reasonable request, a list of programs containing music made hereunder.

(b) The Employer shall respond directly to requests by the Federation for information relating to the Employer's performance of the terms, conditions and covenants of this agreement and of any individual agreement with a person covered by this agreement. Upon request by the Federation, the Employer shall promptly exhibit to it a copy of any program owned, produced, distributed, used, or the use of which has been permitted by the Employer, and if the right so to do has been purchased or otherwise acquired by the Employer, a copy of the contract under which such right was acquired. The Employer shall also furnish upon request by the Federation copies of any contract of sale, rental or other distribution or form contract of sale, rental or other distribution covering any of such programs except for contracts relating to classroom and similar exhibition. The provisions of this paragraph shall survive this agreement.

6. The Employer shall not make or otherwise give aid and assistance in the making of any films which shall embody or be accompanied by pictures of musicians or instrumental music, and which is the subject of this agreement, for or on account of any other person, firm or corporation, unless authorized in writing by the Federation.

7. The Employer hereby recognizes the Federation, in respect of the work covered by this agreement, as the exclusive bargaining representative of persons employed by the Employer who perform as musicians, orchestrators, music proofreaders and librarians, copyists and arrangers in connection with the making and broadcasting of programs.

8. The following provision contained in this paragraph shall apply to services to be rendered hereunder in Canada where not prohibited by applicable law. Such provision shall also be included in, and whether or not so included, shall be deemed part of all contracts calling for such services, at places or under circumstances as aforesaid, between the Employer and persons employed in classifications covered by this agreement: "Only the services of members in good standing of the American Federation of Musicians of the United States and Canada shall be used for the performance of any work within a classification covered by this agreement."

9. The following provisions contained in this paragraph 9 shall apply to services rendered hereunder in the United States and shall be included in, and whether or not so included, shall

be deemed a part of all contracts calling for such services between the Employer and persons employed in a classification covered by this agreement: "Persons who are employees of the Employer on the date of signing of this agreement or on its effective date (whichever is later), who are members of the Federation, shall be continued in their employment by the Employer only so long as they continue their membership in good standing in the Federation. All other employees in a classification covered by this agreement shall, on or before the thirtieth day following the commencement of their employment or the effective date of this agreement, whichever is later, become and continue to be members in good standing of the Federation as a condition of their employment. The provisions of this paragraph shall not become effective unless permitted by applicable law."

10. (a) As to employees covered by this agreement who are members of the American Federation of Musicians of the United States and Canada, and to the extent to which the inclusion and enforcement of this paragraph is not prohibited by any applicable law, nothing in this agreement shall ever be construed so as to interfere with any obligation which they may owe to the American Federation of Musicians of the United States and Canada as members thereof.

(b) Any employees covered by this agreement shall be free to suspend or terminate their services by reason of any strike, ban, or unfair list of the Federation and shall be free to accept and engage in other employment of the same or similar character, or otherwise, for other employers or persons, firms or corporations without any restraint, hindrance, penalty, obligation or liability whatever, any other provisions of this agreement to the contrary notwithstanding. The Employer shall not request or require any employee to work in the premises of any person, firm or corporation who is not in good standing with the Federation according to lists published by the Federation in the "International Musician" or to specific notice to the Employer. Nothing in this paragraph shall require the Employer to do or refrain from doing any act unless and until permitted by applicable law.

(c) All present provisions of the bylaws, rules and regulations of the Federation are made part of this agreement as though fully set forth herein to the extent to which their inclusion and enforcement as part of this agreement are not prohibited by any applicable law. No changes in the Federation's bylaws, rules and regulations which may be made during the term of this agreement shall be effective to contravene any of the provisions hereof. The Employer acknowledges its responsibility to be fully acquainted, now and for the duration of this agreement, with the present contents of the Federation's bylaws, rules and regulations.

11. (a) The following provision shall be included in, and whether or not so included, shall be deemed part of all contracts calling for recording (whether sound or visual) services between the Employer and persons employed under this agreement:

"This contract shall not become effective unless and until it shall be approved by the International Executive Board of the American Federation of Musicians of the United States and Canada or by a duly authorized agent thereof."

The above provision shall not relate to contracts on official forms prescribed by the Federation which have been entered into in conformity with the provisions of this agreement.

(b) Any contract in existence at the termination of this agreement (whether such termination is caused by expiration, breach, or otherwise), made and entered into by the Employer for the employment of and rendition of services by members of the Federation, or other persons employed in a classification covered by this agreement, shall not impose any obligation on the part of members of the Federation to render further musical services for the Employer on work

covered by this agreement unless this agreement is renewed or a new one entered into permitting the same. In the event this contract is not renewed or a new one is not entered into prior to or immediately upon the expiration of this agreement, such members may, at their option, render services to any others without obligation or liability to the Employer.

12. This agreement shall be personal to the Employer and shall not be transferable or assignable by operation of law or otherwise, without the consent in writing of the Federation. Without such consent, the Employer shall not transfer or assign any individual contract (or part thereof) for the performance of services of any member of the Federation or any other person employed in a classification covered by this agreement or give anyone else control over such contract or such services. Nevertheless, if the foregoing is violated and services are thereafter performed by such members of the Federation, or other person, or if the transferee or assignee does any acts which the Employer is permitted to do under this agreement, the obligations and duties imposed by this agreement shall be binding upon the transferee or assignee.

13. In the event that the Employer shall sell, transfer, assign, or otherwise dispose of television rights in programs made under this agreement, it shall continue responsibility for all the obligations and commitments undertaken in this agreement with respect to such programs unless the Federation consents to the assumption of those obligations and commitments by the assignee or transferee. Employer agrees to give notice to the Federation within thirty (30) days after each such sale, assignment or transfer.

14. The Federation, at its option, may terminate this agreement at any time after a transfer of any interest which controls the Employer or in the event that the Employer or any interest which controls it or any subsidiary of either, make or deal with programs covered by this agreement without having in effect a collectively bargained agreement with the Federation covering the same.

15. The parties mutually affirm their policy of non-discrimination. The Employer affirms its policy that no employee shall be discriminated against in employment hereunder, because of race, color, creed, sex, national origin, age or handicap, provided the employee is qualified and has the physical ability to perform the work required hereunder by the Producer. The Federation affirms its policy of non-discrimination with respect to admission to membership and rights of membership.

16. The Employer's right to employ persons under the terms of this agreement shall commence as of December 11, 2002 and shall terminate at midnight on December 10, 2005.

- (2) For the wage payments set forth in Table 2, below, the Employer is granted the right to:
(a) make four national releases of seven (7) - consecutive days for public and educational broadcast use of the program in the United States and Canada during the period of three (3) years (five (5) years if the program is a documentary), over each station immediately following - the first broadcast of the program (herein called "Initial Broadcast Cycle") -, or (b) the Employer shall have an option of electing a first release period of fourteen (14) consecutive days, plus the three (3) additional national releases

of seven (7) consecutive days within the same Initial Broadcast cycle provided for in (a), above, by paying an additional (15%) over and above the wage rates set forth in Table 2. and, whether option (a) or (b) is elected (c) make unlimited audiovisual transmission and exhibition use of the program. The fourteen (14) day cycle option must be exercised at the time of initial employment and shall be indicated in the Memo Box on the B-8 report form. In addition to the foregoing, the Employer has the option, which must be exercised at the time of original production, to acquire the right to make an additional fifth and sixth national releases during the period of five years (seven years if the program is a documentary) immediately following the "Initial Broadcast Cycle" upon payment of 50% additional over and above the wages set forth in Table 2 below.

With respect to programming aired for pledge purposes, the Producer may elect a release pattern of eight (8) releases over twenty (25) months, in lieu of the four (4) releases over three (3) years (or five (5) years for documentary programs). If this pledge release pattern is elected, extended broadcast rights may be acquired in groups of eight (8) releases over twenty-five (25) months or four (4) releases over three (3) years (five (5) years for documentary programs) upon payment of the fee provided in Section III (A) (1). Musicians should be advised of Producer's election of this alternative release pattern at the time of initial employment and the release pattern selected shall be indicated in the Memo Box on the B-8 report forms.

Employer shall also have the right within the three year and five year period described above to four releases on each basic cable channel programmed in blocks of not less than six (6) consecutive hours on a sustaining basis by a public television station or PBS. The first such basic cable release must be within thirty (30) days of the station's first broadcast of the program. If the first such basic cable release is not within such thirty (30) day period, one basic cable release shall be lost, but the station shall be entitled to the remaining three basic cable releases within the three or five year period, provided that the first such release is made within thirty (30) days of a subsequent broadcast by the station. Notwithstanding the foregoing, each public television station and PBS may release each such program pursuant to this provision only on one basic cable channel in each community. Exhibition of a program on one channel on each of multiple basic cable services within a single community, each of which serves a different geographical section of the community, shall be considered exhibition on one basic cable channel for purposes of this section. This section shall not apply if any payment or other consideration is paid to the public television station or PBS by the basic cable service for the use of the material. This section shall not apply to symphonies, operas or ballets.

(A) Internet Streaming

In addition to the foregoing, employer shall also have the right to use a program or any portion thereof on the Employer's website and on PBS and related websites and on-line services for no additional payments during the season(s) when such programs are being exhibited on public television in accordance with the terms of this agreement so long as such websites and/or on-line services do not assess a charge to the consumer for the downloading of such programs. Notwithstanding the foregoing, commercial underwriters of a program may only use clips of two (2) minutes or less from such programs on their websites and such use must be directed at promoting the Underwriter's public image as opposed to directly advertising the Underwriter's product. Clips of two (2) minutes or less may also be used on other web sites where such use is limited to news or educational purposes and no payment is made for such use, provided that the clip does not contain a complete production number. If a charge to the consumer for downloading

of such programs is assessed, Employer shall notify the AFM and the parties shall negotiate a provision concerning the treatment of such charge.

The Producers acknowledge that if the Internet should become the primary medium for exhibition of programming covered by this Agreement (i.e., a majority of viewers view such programming over the Internet instead of through broadcast television), programming produced directly for Internet for such national PBS distribution shall be subject to the terms of this Agreement. Prior to any such application, the Federation will give notice to the Producers of its contention that the Internet has become the primary medium. Should the Producers dispute this contention, the issue shall be subject to arbitration under the rules of the American Arbitration Association applicable to labor arbitrations.

Symphony, Opera and Ballet programs are specifically excluded from this provision.

Scratch or working tapes shall not be used for broadcast purposes. If a rehearsal is in any way under the supervision or direction of the television producer, full rehearsal payment must be made.

fee to each musician whose performance is contained in the excerpt(s) equal to the one half hour program rate contained in Paragraph (B), Table 1 of Exhibit A (I) for air time without rehearsal. An additional payment shall be required for each such audio visual or other educational non-broadcast program in which the performance is used. No additional payment shall be required where the only modification to the program for audio visual use is to shorten it and to add appropriate bridging material or new openings and closings. This section shall be applicable to programs produced under this or any prior AFM Public Television Agreement; provided, however, that it shall not be applicable to symphonies, operas or ballets. The Federation agrees to meet with the Employer to discuss appropriate payments for new programs containing more than four excerpts.

- (i) The Federation agrees to meet with the Employer to negotiate appropriate payments for the use of excerpts from programs produced under this or any prior AFM Public Television Agreement in new programs produced for public television or any other use not covered by the terms of an existing AFM agreement. Payments made between the 31st and 60th business days shall require, in lieu of the said additional five percent (5%) payment, the payment of an additional amount equal to ten percent (10%) of the initial amount payable. Payments made after such 60th business day shall require, in lieu of the said additional ten percent (10%) payment, the payment of an additional amount equal to fifty percent (50%) of the initial amount payable. (V) Supplemental Markets

(1) The provisions of this Article shall apply to all programs initially produced for Public Television, either prior to or during the term of this agreement, which are actually distributed in supplemental markets during the term of this agreement.

(2) Definition of Supplemental Markets

The term "Supplemental Markets" as used in this agreement, means only the exhibition of television programs by means of cassettes, pay-type CATV, or Pay Television as those terms are hereafter defined in this paragraph and the exhibition of television programs on any commercial carrier such as commercial airlines, trains, ships and buses (referred to herein as "In-Flight"). It shall also include television programs originally produced in English and dubbed in non-English languages for free TV exhibition under the circumstances described in par. (d), below.

(a) Cassettes:

For the purpose of this agreement, a cassette is any audiovisual device, including, without limitation, cassette, cartridge, phonogram or other similar audio-visual device now known or hereafter devised, containing a television program (recorded on film, disc, tapes or other material) and designed for replay on a home-type television screen. The sale or rental of cassettes for replay on a home-type television screen in the home, or in other closed circuit use such as hotel rooms, constitutes the "Supplemental Market" for the purposes of this agreement. The foregoing definition does not include the exhibition of a television program by cassette over a public broadcast station.

(b) Pay-Television:

Exhibition of television programs on home-type television screens by means of telecast, cable, closed circuit, the Internet or other means where substantially all systems to which the program is licensed meet the following tests:

(i) a separate channel is provided for which the subscriber pays a separate fee (which fee is a major charge relative to other charges made to the subscriber) for that channel;

and/or

- (ii) the subscriber pays for the program or programs selected (except that a motion picture or motion pictures selected for which only a token charge is made shall not be considered pay television);

and/or

- (iii) the subscriber pays a fee for an encoded telecast, which fee is a major charge relative to other fees paid for encoded telecasts.

The foregoing tests cover those types of services and systems which exist in the industry today and are commonly understood in the industry to be pay television services or systems.

- (c) Notwithstanding anything to the contrary contained in this Supplemental Markets Section, if a program is delivered over a pay television service as defined in subparagraph (b), above, solely through the Internet or other similar systems (e.g., intranet or other computer delivery system), the Producer shall pay to the musicians (to be divided among them as determined by the Federation) one per cent (1%) of the Producer's gross derived from such pay television distribution, in lieu of any other payments provided under this Supplemental Markets Section. If the program is delivered over a pay television service through the Internet and other means, such as cable, this subparagraph (c) shall not be applicable and normal payments under this Supplemental Markets Section shall be made.

- (d) Non-English Speaking Free Television Exhibition

The release on a free television broadcast station which broadcasts primarily in a language other than English of a program originally produced in English under a Public Television Agreement which has been dubbed in the non-English language shall be covered by this Supplemental Markets provision.

(3) Computation of Payment

- (a) Base Amounts

- (i) The following base amounts shall be used for computing payments to each instrumental musician, leader, contractor, arranger and orchestrator whose services were included in such television program:

Type of Program	Base Amount Per Person Per Program
One-half hour (and all strip programs including strip variety programs regardless of length)	\$300.00
One hour	\$375.00
One and one-half hour	\$450.00
Two hours	\$525.00
Each additional one-half hour or fraction thereof	\$ 75.00

- (ii) Producer agrees to establish for librarians who performed services for such programs and whose names appear as such on the original Form B Contract for the program and for copyists for such programs (limited to a maximum of 5 copyists) a base amount of \$300.00 per person, per program, regardless of length. If more than five Copyists were actually employed on the program, the sum of \$1,500.00 shall be divided equally among all such copyists.

(b) Supplemental Market Fees

- (i) Supplemental Market Fees shall be computed on the foregoing base amounts as follows:
1. When such television program is initially released in any Supplemental Market (or committed to release, as hereinbefore provided), except "In-Flight" (and except for educational use) the musician shall be paid 15% of the applicable base amount; and when the Distributor's gross receipts (as defined in subsection (ii) below) from the distribution of such television program in such Supplemental Markets equals \$62,500.00, the musician shall be paid an additional 10% of the applicable base amount; provided, however, with respect to gross receipts from "In-Flight" distribution, 30% of the base amount shall be payable upon initial release of the program for such market; and provided further that the total payment or payments under this subparagraph (i) shall not exceed thirty percent (30%) of the applicable base amount. The Producer shall pay 1% of Distributor's gross receipts as defined in the AFM Film Labor Agreement from the distribution in Supplemental Markets for educational use, credited to each participating musician pro-rata.
 2. When such gross receipts from the distribution of such television program in Supplemental Markets amount to \$125,000, the following additional percentage of the base amount shall be due: 10%
 3. When such gross receipts from the distribution of such television program in Supplemental Markets amount to \$200,000, the following additional percentage of the base amount shall be due: 25%
 4. When such gross receipts from the distribution of such television program in Supplemental Markets amount to \$300,000, the additional following percentage of the base amount shall be due: 25%

5. When such gross receipts from the distribution of such television program in Supplemental Markets amount to \$400,000, the following additional percentage of the base amount shall be due: 25%
6. When such gross receipts from the distribution of such television program in Supplemental Markets amount to \$500,000, the following additional percentage of the base amount shall be due: 25%
7. After each additional full increment of \$100,000 of such gross receipts in excess of \$500,000, the following additional percentage of the base amount shall be due: 10%

(ii) Definition of Distributor's Gross Receipts Except for Educational Use

1. In applying the formula set forth in this Section for calculating Supplemental Market fees, Distributor's gross receipts shall be included in the formula at 100% of the actual amount of such gross receipts for all Supplemental Markets.
2. As used herein, the term "Distributor's Gross Receipts" shall mean the absolute gross income received by all Distributors (as hereinafter defined) of such television program from the Supplemental Market use thereof anywhere in the world, and including the case of a "foreign territorial sale" by any such Distributor, the income received from such sale by such Distributor, but not the income received by the "purchaser" or the "licensee". "Distributor" as used in this agreement shall mean the Producer when it distributes such program for Supplemental Market use.

Gross receipts at the retail level would not be Distributor's gross receipts hereunder. Further, if the Producer itself acts as distributor and retailer, a reasonable allocation of the retail gross receipts shall be made as between the Producer as Distributor and the Producer as retailer, and only the former shall be deemed to be Distributor's Gross Receipts.

3. The Distributor's Gross Receipts shall not include:
 - A. Sums realized or held by way of deposit as security, until and unless earned, other than such sums as are non-returnable;
 - B. Rebates, credits or repayments for cassettes returned (and in this connection the Producer shall have the right to set up a reasonable reserve for returns);
 - C. Sums required to be paid or withheld as taxes, in the nature of turnover taxes, sales taxes or similar taxes based on the actual receipts of such program or on any moneys to be remitted to or by the Producer or such other distributor; but there shall not be excluded from Distributor's Gross Receipts any net income tax, franchise tax or excess profit tax or similar tax payable by the Producer or such Distributor on its net income or for the privilege of doing business.

D. Frozen Foreign Currency

Until the Producer shall either have the right to freely use such foreign currency, or Producer or Distributor has the right to transmit to the United States to Producer or Distributor such foreign currency from the country or territory where it is frozen. If such currency may be utilized or transmitted as aforesaid, it shall be deemed to have been converted to United States dollars at the rate of exchange at which such currency was actually transmitted to the United States as aforesaid, or if not actually transmitted, then at the prevailing free market rate of exchange at the time such right to use or to transmit occurs. Frozen foreign currency shall be deemed to be unblocked on the basis of "first in, first out" unless otherwise allocated by local foreign fiscal authorities. Allocation of such unblocked funds as between revenue which serves as the basis of determining payments hereunder and other revenue, shall be on a proportional basis, subject to different earmarking by local foreign fiscal authorities.

E. Receipts Attributable to Distribution for Educational Use

(iii) Allocation of Gross Receipts

If any agreement for distribution in the Supplemental Market includes more than one (1) program, or includes both Supplemental Market rights and other rights, the Producer shall make a reasonable allocation for the purpose of determining payments due hereunder.

(iv) No pension or welfare contributions to the AFM funds shall be required to be paid on Supplemental Market fees.

(v) Time of Payments and Reports

Payments of any Supplemental Market fees due under this Article (V) shall be made annually on the basis of annual statements, as hereinafter provided, except that the initial fees payable on release in Supplemental Markets (V)(3)(b)(i)1., shall be paid within sixty (60) days after such release. Producer shall furnish to the Federation written annual reports showing the Producer's gross receipts, in accordance with the foregoing, from distribution of programs in Supplemental Markets. The Federation shall have the right, at reasonable times, to examine the books and records of the Producer insofar as they relate to the Producer's gross from distribution in Supplemental Markets.

(vi) Symphony, Opera and Ballet Programs

Symphony, Opera and Ballet programs are specifically excluded from all of the provisions of this article.

(vii) At such times as the gross receipts from the sale of cassettes totals \$10 million of total industry sales, the Federation shall have the right to reopen the cassette provisions of this agreement for negotiation.

- (viii) If, during the term hereof, the Federation shall enter into an agreement with any other producer upon terms more favorable than or different from these contained in this agreement, Producer shall have the right, at its option, to cause this agreement to be conformed therewith.

- (ix) Employer has the right to release a program on Basic Cable TV upon the making of a step-up payment equal to the difference between the initial compensation paid under the Public Television Agreement and the wage scale payment that would have been due for the program under the AFM's Videotape Labor Agreement, plus the initial release Supplemental Market fee of 5% of the applicable base amount as described in the Supplemental Market section of the Videotape agreement. If the program payment due under the Videotape Agreement is equal to or less than the initial compensation paid under the Public TV Agreement then the musicians must receive the applicable initial Supplemental Market fee of 5% of the applicable base amount as provided for in the Videotape agreement.

(W) Direct Broadcast Satellite (DBS)

Producer shall have the right to release any program produced under this or any previous PBS agreement for Direct Satellite Broadcast as commonly understood in the Industry in perpetuity provided the musicians were paid initially the following minimums.

- ½ hr. program – program rate plus one hour rehearsal
- 1 hr. program – program rate + 2 hrs rehearsal
- 1 ½ hr program or longer – program rate + 3 hrs rehearsal

In the event these programs were not paid for at the foregoing minimums. Producer shall have the right to release these programs in perpetuity by paying each musician whose music is included in these programs the sum of \$7.50.

Symphony, Opera and Ballet Programs are excluded from this provision.

(X) DTV:

Producer shall have the right to broadcast digital television programs which have been produced under this agreement or any previous PBS agreement on a multicasting basis on digital bands divided into (4) separate signals and may also release such programs on digital cable in exchange for payment of the initial minimum compensation.

This provision will be in effect for at least 18 months commencing Oct. 1, 1999 and the AFM shall have the right at the end of this period to reopen this provision after this period by giving a 90 day notice to all PBS signatory companies.

(Y) Most Favored Nations Clause

In the event that the President's Office of the Federation enters into a collective bargaining agreement with any other public broadcasting station or agency which provides for rates or conditions more advantageous to the latter than those provided herein, such other rates or conditions shall be automatically substituted for those herein effective as of the beginning date hereof.

II
ARRANGERS, ORCHESTRATORS AND COPYISTS

The compensation and other conditions relating to arrangers, orchestrators and copyists shall be as set forth in Exhibit C, except that if any program is not broadcast or exhibited after the initial release referred to in I(A)(1), the compensation shall be 75% of such rates.

III

- (1) Programs made under this agreement may be used for unlimited broadcasts by means of satellite cable, recording or other means now or hereafter developed, outside the United States and Canada, upon television stations where no admission is charged for the privilege of attending or viewing such broadcast, before, during, or after transmission over television, upon payment to each instrumentalist, leader and contractor who performed services in connection with such program of 45% of the scale pay set forth in I(B) above; or said programs may be so broadcast in the following specified foreign areas upon payment to each of the aforesaid persons in the groups above named and the percentages of such scale pay set forth alongside each area:

- (3) The rates of pay applicable to videotapes made under this agreement and transmitted by means of satellite, cable recording or other means now or hereafter developed for broadcast only in the foreign areas set forth above (without limit as to number of showings), shall be 75% of the scale pay set forth in Exhibit A hereto.
- (4) Where excessive rehearsal hours have resulted from mechanical difficulties and/or failure of equipment, the number of rehearsal hours to be included in the scale pay for the purpose of determining the percentage payments due under this paragraph shall be limited as follows:

For a one-half hour program — a maximum of ten hours.

For a one hour program — a maximum of 15 hours.

For a one and one-half hour or longer program — a maximum of twenty hours.

(C) Payment

Each and every payment to be made pursuant to this agreement, including but not limited to payments of contributions to the American Federation of Musicians and Employers Pension Welfare Fund (Canada), shall be made through the local union of the Federation in the jurisdiction of which the original services were performed unless other arrangements are made by such local union. Each such payment shall become due and payable within fifteen (15) days (excluding intervening Saturdays, Sundays and holidays) following the "accrual

The “accrual date” for payment of additional payments based on foreign broadcasts shall be the date of the first broadcast outside the United States and Canada. The “accrual date,” for payments of contributions to the said pension funds shall be the same date as the accrual date of the payment on which such contribution is based, provided that the trustees of such pension funds may agree with contributors with respect to single monthly payments of such pension contributions.

EXHIBIT B

We agree to be legally bound by the agreement and Declaration of Trust establishing the American Federation of Musicians and Employers Pension Fund as amended from time to time, which is incorporated by reference into this agreement.

The Employer agrees to afford all necessary facilities to such authorized agents to make such examination and audit and to make extracts and excerpts from said records.

The Federation and said trustees, or either of them, may enforce the provisions contained in this Exhibit B.
